Please be advised, the Judge cannot hear any specific information or details about the case.

The Judge only needs information concerning the immediate release of the defendant. Such as any safety concerns you may have if the defendant is released immediately or if you know of any reason why the defendant would not appear at the next scheduled hearing date. Also, you may request the Judge to order a No Contact/No Uninvited Contact/Stay Away Order as part of release conditions and may also request that the defendant be ordered not to consume alcohol.

What do you recommend as part of Release Conditions of the Defendant?
