#### Government Property Lease Excise Tax (GPLET) – Worksheet

Pursuant to A.R.S. §§ 42-6201 through 42-6210. These statutes are available at https://www.azleg.gov/ or in most public libraries.

#### THE PROPERTY TAX PERCENTAGE CALCULATION ONLY APPLIES TO TAX RATE CHART B PROPERTIES.

Property Tax Percentage Calculation:

(Use to determine if the reduction rate applies according to the Excise Tax Rate Reduction Criteria listed on page 7 of the Overview and

Instructions.) The percentage calculation formula is: The combined primary and secondary property tax rate + the county-wide average property tax rate = the subject improvement's property tax percentage (i.e., ratio) figure. The subject property's combined rate: \_\_\_\_\_ 

+ the county-wide average rate: \_\_\_\_ = \_\_\_\_ percent. For properties that **have a predominate use**, complete section 1. For properties that **do not** have a predominate use, complete section 2. **SECTION 1** - For properties that **have a predominate use**: 1. To determine which rate chart applies, please read the Excise Tax Rate Chart Criteria listed on page 7 of the Overview and Instructions. Please mark the rate chart selected: CHART A 

CHART B 2. From the applicable Rate Chart, in Column 1, enter the property's location category (Row Number) here: If the property does not correspond with any of the property location categories, enter "Base Row". 3. From the applicable Rate Chart, in Column 3, if applicable, enter the age range (based on the original Certificate of Occupancy) here: . 4. From the applicable Rate Chart, select the property use Column, as indicated in Item 7 of the Return form and the appropriate property location category and age range listed in Items 2 and 3 above to determine the corresponding Excise Tax Rate. Enter the excise tax rate here: If the property does not correspond with any of the property location categories, enter the "Base" tax rate from the appropriate Rate Chart for the applicable property use as indicated in Item 7 of the Return form. 5. If applicable, from Column 13 of the appropriate Rate Chart, also enter the tax rate for the same location category and applicable age range listed in Items 2 and 3 above for Parking Structure Spaces here: 6. Multiply the square footage figure (from Item 7 of the Return form) by the tax rate from Item 4 above, and enter the product (i.e., result) here: \$ \_\_\_\_\_\_. This is the excise tax for the improvement. 7. If applicable, multiply the number of parking spaces (from Item 7 of the Return form) by the tax rate from Item 5 above, and enter the product here: \$ \_\_\_\_\_\_. This is the excise tax for parking spaces. 8. Add Items 6 and 7 above, and enter the sum here: \$

. This is the total excise tax. 9. If the government property improvement consists only of a parking garage and/or parking deck, multiply the number of parking spaces located in the parking garage and/or parking deck (from Item 7 of the Return form) by the tax rate from Item 5 above, and enter the product here: \$ \_\_\_\_\_\_. This is the total excise tax for a parking garage or deck only. NOTE: The total excise tax from Items 8 or 9 above or the total prorated excise tax from the calculation below must be

entered in line 11 on the Government Property Lease Excise Tax Return Form. The tax is due and payable to the County Treasurer on or before December 1 of each calendar year. Penalty applies if delinquent. See Item 12 for calculation.

Proration: If the government property improvement was not leased for the entire current calendar year/tax year, or, if abatement of the excise tax was not applicable to the improvement for the entire current calendar year/tax year, then pursuant to A.R.S. § 42-6203(G), the total amount of excise tax for the entire year, as calculated in Item 8 or 9, above, is to be prorated for the percentage of time of the current calendar year/tax year during which the property was leased, or for the percentage of time during which abatement did not apply.

,	•	0				
The excise tax	for the er	ntire year (f	rom Item 8 o	r 9 above) is \$	_ ÷ 365 = \$	_(the tax
amount per da	y) x numl	oer of taxab	ole days	= \$	_(the prorated excise tax	κ).

#### Government Property Lease Excise Tax (GPLET) – Worksheet Pursuant to A.R.S. §§ 42-6201 through 42-6210. These statutes are available at <a href="https://www.azleg.gov">https://www.azleg.gov</a> or in most public libraries.

#### THE PROPERTY TAX PERCENTAGE CALCULATION ONLY APPLIES TO TAX RATE CHART B PROPERTIES.

Property Tax Percentage Calculation:
(Use to determine if the reduction rate applies according to the Excise Tax Rate Reduction Criteria listed on page 7 of the Overview and

<i>Însti</i> The	ructions.)  percentage calculation formula is: The combined primary and secondary property tax rate ÷ the county-wide average perty tax rate = the subject improvement's property tax percentage (i.e., ratio) figure.
The	e subject property's combined rate: ÷ the county-wide average rate: = percent.
SEC	CTION 2 - For properties that do not have a predominate use:
1.	To determine which rate chart applies, please read the Excise Tax Rate Chart Criteria listed on page 7 of the Overview and Instructions. Please mark the rate chart selected: CHART A   CHART B
2.	From the applicable Rate Chart, in Column 1, enter the property's location category (Row Number) here:  If the property does not correspond with any of the property location categories, enter "Base Row".
3.	From the applicable Rate Chart, in Column 3, if applicable, enter the age range (based on the original Certificate of Occupancy) here:
4.	From the applicable Rate Chart, select the appropriate property use Column, for each use, as indicated in Item 7 of the Return form. Enter the Column Numbers below:  Property Use 1: Property Use 2: Property Use 3: Property Use 4: If additional space is needed, attach a separate page to this Worksheet providing this information.
5.	From the applicable Rate Chart, select the appropriate property location category and age range (if applicable) as listed in Items 2 and 3 above to determine the corresponding Excise Tax Rate for each use. If the property does not correspond with any of the property location categories, enter the "Base" tax rate from the appropriate Rate Chart for each property use as indicated in Item 7 of the Return form.  Enter those tax rates here. Use 1 Rate: Use 2 Rate: Use 3 Rate: Use 4 Rate: If additional space is needed, attach a separate page to this Worksheet providing this information.
6.	If applicable, from Column 13 of the appropriate Rate Chart, also enter the tax rate for the same location category and applicable age range listed in Items 2 and 3 above for Parking Structure Spaces here:
7.	For each use listed, multiply the square footage figure for each use (from Item 7 of the Return form) by the tax rate for each use from Item 5 above, and enter the results here:  This is the excise tax for each use of the improvement.  Use 1 = \$
8.	Add the results for each use, and enter the sum here: \$ This is the total excise tax for the improvement
9.	If applicable, multiply the number of parking spaces (from Item 7 of the Return form) by the tax rate from Item 6, above, and enter the result here: \$ This is the excise tax for the parking spaces.
10.	Add Items 8 and 9 above, and enter the sum here: \$ This is the total excise tax.
ente	TE: The total excise tax from Items 8 or 10 above or the total prorated excise tax from the calculation below must be ered in line 11 on the Government Property Lease Excise Tax Return Form. The tax is due and payable to the County assurer on or before December 1 of each calendar year. Penalty applies if delinquent. See Item 12 for calculation.
abat purs abov leas The	ration: If the government property improvement was not leased for the entire current calendar year/tax year, or, if tement of the excise tax was not applicable to the improvement for the entire current calendar year/tax year, then suant to A.R.S. § 42-6203(G), the total amount of excise tax for the entire year, as calculated in Item 8 or 10, we, is to be prorated for the percentage of time of the current calendar year/tax year during which the property was sed, or for the percentage of time during which abatement did not apply.  excise tax for the entire year (from Item 10 above) is \$ ÷ 365 = \$ (the tax amount day) x number of taxable days = \$ (the prorated excise tax).
