ARS §11-1606 Application Process Notice Swimming Pools, Spas or Other Recreational Health Facility

Under ARS §11-1606 Mohave County is required to give you the following information when you apply for a Recreational Health permit:

The following steps are required to obtain a Swimming Pool/Spa or Other Recreational Health Facility permit:

1. For new facilities (never been in use before – newly constructed), prior to applying for a health permit to operate with the Environmental Health Division (EHD), the facility must receive an Approval of Construction (AOC) from the Arizona Department of Environmental Quality (ADEQ). ADEQ is responsible for conducting the plan review of the facility (construction requirements).
2. When the AOC is received, an opening inspection must be conducted by the EHD. A service request and appropriate inspection fees are to be paid prior to the inspection.
3. An appointment will be made with an inspector, followed up by the inspection of the facility to ensure all requirements are met.
4. If all requirements are met, a permit may be obtained by submitting a permit application and fee to the EHD office.
5. For existing facilities that simply change ownership, all of the above applies with the exception of the plan review element (unless no AOC has ever been obtained for the facility from ADEQ).

Applicable licensing time frames (business days):

Type of Approval	Authority	Overall Time-frame	Administrative Completeness Review	Substantive Review
Swimming Pools, Spas or other Recreational Facility	MC Ordinance 2012-06	52	26	26

Name and telephone number of a person who can answer questions or provide assistance during the application process: Your assigned inspector either in person or by phone at the offices and numbers listed above. If you are unable to receive assistance, you may contact the Environmental Health Supervisor at the Kingman office (number listed above).

Under ARS §11-1609, you may request that the County clarify its interpretation or application of a statute, ordinance, regulation, delegation agreement or authorized substantive policy statement that affects the issuance of your permit by providing the County with a written request that states: 1. Your name and address; 2. The statute, ordinance, regulation, delegation agreement or authorized substantive policy statement that requires clarification; 3. Any facts relevant to the requested ruling; 4. Your proposed interpretation of the applicable statute, ordinance, regulation, delegation agreement or authorized substantive policy statement or part of the statute, ordinance, regulation, delegation agreement or authorized substantive policy statement that requires clarification; 5. Whether, to the best of your knowledge, the issues or related issues are being considered by the County in connection with an existing license or license application.

- A. A county shall not base a licensing decision in whole or in part on a licensing requirement or condition that is not specifically authorized by statute, rule, ordinance or delegation agreement.
