5 Click on Go on My Portal

6 To Schedule inspections, click the REQUEST button **OR** enter your permit number in the Search Bar which will provide a more detailed view such as fees due or expiration.

**if you do not have full access to that permit, you need to enter the access code, you can enter it by going to your account located on the upper right corner of your screen.*

The screenshot shows the 'Applications' page. A yellow box with the number '6' is placed over the 'Contact Us' link in the top right corner. Another yellow box with the number '6' is placed over the 'REQUEST' button in the 'My Inspections' section. A yellow arrow points from the 'REQUEST' button to the 'SEARCH' button in the search bar. The search bar contains the text 'Enter a permit or license number, address, or name' and a 'SEARCH' button. Below the search bar, there are four main sections: 'Apply Online', 'Pay Online', 'My Inspections', and 'View Applications'. Each section has a corresponding icon and a button: 'APPLY', 'PAY', 'REQUEST', and 'VIEW' respectively. The 'View Applications' section shows a summary of application statuses: 0 in progress, 0 active, 0 expired / inactive, and 1 closed.

Search Bar Option: Enter permit number, click SEARCH, when it pops up click on Permit number, scroll down to Inspections. Click REQUEST INSPECTIONS. It will pop up the same screen as the Red Request button above, but it will already be on the permit you want...

The screenshot shows the search results and inspections page. On the left, a search bar contains the text 'bld-2025-02221' and a 'SEARCH' button. Below the search bar, a dropdown menu shows the search results: 'BLD-2025-02221' with details 'Residential Building Permit 3396 E CANE DR Issued, 8/14/2025 KGMN, AZ'. A yellow arrow points from the search bar to the 'SEARCH' button. On the right, the 'Inspections' section is displayed. It shows a table with columns 'Inspection', 'Date', and 'Status'. The table lists several inspection types: 'Electrical Groundwork', 'Building Sewer', 'Plumbing Groundwork', 'Gas Piping Groundwork', 'Setback', and 'Flood Foundation Certificate'. Each row has a 'REQUEST INSPECTION' link. A yellow arrow points from the 'REQUEST INSPECTION' link for 'Plumbing Groundwork' to the 'REQUEST INSPECTION' button in the 'My Inspections' section of the previous screenshot.

The system will default to the next business day for inspection, but can be changed. We do NOT take requests for the time even though the system has that option. Please include comments if necessary.
