June 2026

BL

In June, MCTUPP started a coalition at the Boys and Girls Club in Kingman, AZ. Due to this we now have 1 youth coalition that is community based and year around versus being school based. During June, MCTUPP taught Catch My Breath to the Boys and Girls Club in Bullhead City as a part of their summer program. Two large event occurred as well. In Bullhead City there was the Coffee with a Cop event that was held by the MAPPED coalition. In Kingman there was the Hobbies Not Habits event that was held by AZYP. Both events saw over 100 community members in attendance.

III. WOMEN/INFANTS/CHILDREN SUPPLEMENTAL FOOD PROGRAM (WIC)

Caseload	June 2025	June 2026	
Number of WIC food packages issued	3,513	3354+	↓
Average monthly participation	3,513	3354+	↓

Nutrition education and referrals are given to each participant every 3 months that they participate in WIC. We opened a Colorado City WIC clinic on March 3, 2025, to cover the increased clinic caseload. We had three staff members who vacated their positions whom we could not replace due to the government shut down. One temporary employee who was hired to assist with caseload numbers had to vacate her position due to her temporary status. We are currently in the process of hiring four staff to replace staff how have left their positions. All these factors continue to impact caseloads in the months to come. Increased outreach efforts include our new staff following up with referrals from the department of economic services and staff following up with monthly outreach efforts to community organizations. June participation numbers finalized on 7/29/26.

IV. BREASTFEEDING PEER COUNSELING PROGRAM (BFPC)F

Number of contacts made	June 2025	June 2026	
Pregnant participants	93	64	↓
Breastfeeding participants	111	96	↓
TOTALS (includes postpartum non breastfeeding)	216	176	↓
Number of participants avg per month	146	108	↓

WIC caseload numbers have influenced breastfeeding peer counseling numbers. We expect an increase in Breastfeed Peer Counseling numbers with an increase in staff and staffing to follow up with reports that target non-participating pregnant and postpartum women.

	2024	2025	
Breastfeeding Initiation	77%	77%	
3 months breastfed	37%	40%	↑
6 months breastfed	28%	29%	↑
12 months breastfed	10%	13%	↓
18 months breastfed	8%	8%	↑

WACOG has been adding more homebound meal participants. Improvements in the Senior programs such as renovation and increased program activities have attracted more congregate meal participants. The 501c3 non-profit group associated with the Lake Havasu City Senior programs has agreed to pay for meals for up to 90 days for those who have been released from the hospital and are unable to obtain or prepare their own meals.
