- Please bring your MCEBT insurance card and ID.
- Patients 35+ can be seen without a doctor's order. Patients under 35 can be seen but must provide a doctor's order.
- Patients with a new lump, breast pain, nipple discharge, etc. cannot be screened and should consult with their doctor for alternative care (diagnostic exam).
- If any patient was recommended for additional imaging with MOM in the past 18 months and have not received that care, the vendor will not provide a screening mammogram. If they have completed the recommended follow up, they must bring the radiologist report from that appt with them to the mobile unit on the day of their appt
- Individuals not covered on the MCEBT Medical Benefit Plan will be required to provide proof of alternative insurance for billing or pay by credit card, cash or check is not accepted.
