HOME EVACUATION CHECKLIST

- ✓ Plan several different places, in different directions you could go.
- ✓ Know the evacuation plans for important locations (i.e. work, school, etc.).
- ✓ If you have a car, keep at least a half-tank of gas in it at all times.
- ✓ If you do not have a car, plan how you will leave if you have to.
- ✓ Hotels and motels fill up fast during evacuations. Call to make sure there is room for you and your family before driving there.
- ✓ Become familiar with alternative routes as well as other means of transportation out of your area.
- ✓ Keep phone numbers and maps for each potential evacuation location.
- ✓ Wear sturdy shoes and appropriate clothing.
- ✓ Take your Go Bag and/or Emergency Kit.
- ✓ Lock your house.
- ✓ Leave a note telling people when you left and where you are going.
- ✓ Use authorized routes.
- ✓ If you believe the air may be contaminated, drive with your windows and vents closed and keep the air conditioning and heater turned off.
- ✓ Listen to the radio for instructions.
- ✓ When you are safe, call your out-of-area contact and let him or her know where you are.
